ABOUT US

Led by Chris Martin, a CASA-licensed pilot and TV cameraman with 24 years of experience, experience, ViewComplete specializes in real estate and construction visuals. We combine aerial and ground photography with broadcast-quality storytelling to create imagery that builds trust, engages buyers, and showcases projects at their best. Full CASA licenced & public liability insurance

OUR MISSION

At View Complete, we deliver professional aerial, ground photography, and drone videography that showcase projects with clarity and impact. Serving real estate, construction, and events in Melbourne, our CASA-certified team ensures safe, creative, and high-quality visuals tailored to every client.

WHY CHOOSE US

24 Years Industry Experience – Professional TV cameraman expertise brought into property marketing.

Story-Driven Approach – More than visuals, we create an emotional connection that inspires buyers.

Broadcast-Quality Production – High-quality videos and photos that make your property stand out.

Tailored Packages – Flexible options for every budget, from single listings to major developments.

Proven Results – Our content doesn't just look good — it sells.
